**Legislative and Other Mandates**
The GDoH derives its mandate from the South African Constitution, the National Health Act and other legislation promulgated by Parliament.
The core mandate of the department is to:
- Improve the health status of the population;
- Improve health services;
• Secure better value for money;
• Ensure effective organisation; and
• Provide integrated services and programmers that promote and protect healthy, quality and sustainable livelihoods for poor, vulnerable and marginalized groups in society

In fulfilling its mandate, the GDoH is guided by legislation listed in the annexure at the end of this report.
